

Vance Family Housing  
4405 Lehr Street  
Enid, OK 73703

Vancefamilyhousing.com

To All MILCON Residents (Barnes, Black, Woolwine, and Parker):

It is with great pleasure that I announce a change in our current fence policy. As you know I have recently taken over as Community Director at the end of April. Even in this short time period it is apparent that a big resident concern is the fenced in area, or lack of, available at the MILCON homes. To accommodate your growing family, including the ability to house 3 pets, we have opened our fence policy. Please note that there are specific guidelines that must be followed should you decide to put up an additional fence.

Listed below is the new fence policy (for MILCON Homes only):

- Fence cannot be chain link
- Existing fence cannot be taken down; must remain up
- Additional fence must match as closely as possible to existing fence; must be white (PVC, wood)
- Requested fence, including but not limited to type/location/size must be approved by Management prior to installation to make sure it meets requirements
- All cost related to fence installation (materials, fence itself, locate fees, etc) will be incurred by the Resident
- Fence installed must be taken down at Move-out
- Fence must have a gate for Maintenance Access to AC Unit
- Fence cannot be adjacent to existing fence in any way; must be separate

Should you have any questions regarding the new fence policy, please feel free to contact the management office. We hope that you are as excited about this change in policy as we are. The purpose of the change in policy is to benefit each family and to get the most out your experience while at The Landings.

Sincerely,

Resident Name

Chris Radliff – Community Director
