

COMMUNITY DIRECTOR UPDATE

MARCH 1, 2025

COMMUNITY NEWS

We are pleased to announce that patio and window replacement has resumed for select homes in our community. Families will receive an email notification one week prior to their scheduled replacement to ensure they have ample time to prepare. We appreciate your cooperation and understanding as we work to enhance the comfort and aesthetics of our homes. If you have any questions or need further assistance, please don't hesitate to reach out to our management office. Thank you for your continued support!

COMMUNITY UPDATES

Electric Vehicle Charging Notice

During our weekly property inspections, our team observed that electric vehicles were being charged on the property. As a reminder, according to our Hunt Military Community rules, Section V, electric vehicles should not be plugged into any neighborhood or premises utilities. Please plan to charge your vehicles off base. The nearest charging station is located at Francis Energy Charging Station, 4330 W Garriott Street. Additionally, there are 15 other Total Charging Stations available in the area.

Playground Closure

Please note that the playground on Black Street is currently closed. We apologize for any inconvenience this may cause and appreciate your understanding as we work to ensure the safety and enjoyment of our community spaces.

RESIDENT SURVEYS REMINDER

We value your feedback on our team's performance! After each work order, you will receive a Customer Service Satisfaction Survey. Please take a moment to share your thoughts with us. Whether you want to recognize an employee or report an issue, we want to hear from you. Your opinion is important to us!

MAINTENANCE TIP

Regularly test your carbon monoxide and smoke detectors by holding down the test button until you hear a loud siren. If there's no sound, replace the battery. We also recommend replacing your CO detectors and smoke alarms every decade.
