COMMUNITY NEWS

Exciting Community Updates!

We will soon be installing new benches, updated signage, and fun dog toys in our community spaces. These upgrades are designed to make our community even more enjoyable for residents and their furry friends. Stay tuned for updates!

MAINTENANCE TIPS

Rodents are drawn to food, water, and warm nesting areas. To keep these pests out of your home, consider the following tips on how to seal up entry points and prevent their infestations:

- **Store Food Properly:** Keep food in thick plastic, metal, or glass containers with tight-fitting lids.
- **Clean Up Quickly:** Clean up any spilled food right away, and be sure to wash dishes and cooking utensils after you use them.
- **Manage Pet Food:** After feeding your pet, put the food away and avoid leaving food or water bowls out overnight.
- **Secure Garbage:** Use thick plastic or metal garbage containers with tight lids. Clean them regularly with soap and water, and dispose of trash frequently.
