TSS Program Kickoff! Monday, March 2nd, 2026!

We're excited to announce the official kickoff of the Tenant Satisfaction Survey! More details will be shared as we get closer, but expect helpful updates, improvements, and new initiatives designed to support you and enhance your resident experience.

MAINTENANCE TIPS

Housekeeping Reminder: Residents are responsible for keeping their homes clean, safe, and sanitary. If poor housekeeping creates unsafe or unsanitary conditions, Management may conduct a 48-hour inspection. Depending on the severity, the required corrective action may include professional or hazardous-material cleaning.

In the event Vance Family Housing determines in its sole capacity that industrial and/or hazardous material cleaning is required. Maintenance techs will start reporting housekeeping issues to the your Community Director, Rebecca Hawkins.
