COMMUNITY NEWS

New School Construction Now Underway

Road closures and traffic changes are now in effect as work begins on the new school campus.

Construction of the new school began in early July and is anticipated to continue for approximately two years. Throughout the project, Lehr Street and Fox Drive east of the school will remain closed to through traffic.

Residents needing access to homes on Black, Barnes, Woolwine, Parker, Hurst, Bass, the rear portions of Lehr, Edwards, and Books streets should use Gott Road as the designated detour route.

MAINTENANCE TIPS

A few simple home maintenance checks can go a long way in keeping your home safe, comfortable, and energy-efficient throughout the changing seasons. Taking a little time now to inspect key safety features and address minor issues can help prevent larger problems down the road while ensuring your home remains in top condition.

- Test all smoke and carbon monoxide detectors and change the batteries if you haven't recently.
- Check your weatherstripping and caulking around windows and doors to ensure they are fully sealed for drafty fall weather source.

Help us Recycle More Efficiently

Before placing cardboard in the recycling bin, please break down all boxes to save space, reduce overflow, and help keep our recycling area clean for everyone.
