

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2026

COMMUNITY NEWS

Your First LIVE Utility Billing Period Starts this month!

As we move forward with the Utility Allowance (UA) Program implementation process, the start of live billing is in October 2026.

Keep in mind that your utility usage is now live and will directly impact the charge or rebate amount reflected on your first billing statement in November, so please use utilities thoughtfully this month.

Please visit the dedicated UA Program website for conservation tips, videos, and other UA Program resources at HuntMilitaryCommunities.com/Air-Force-Utility-Allowance-Program.

FALL HOME MAINTENANCE TIPS

As cooler weather approaches, take time to clean and store patio furniture, cushions, kiddie pools, and other seasonal outdoor items. Proper storage helps protect your belongings and keeps your yard looking its best. Taking care of these simple seasonal tasks can help keep your home safe, efficient, and comfortable all season long:

- **Clean dryer vents:** If your clothes are taking longer than usual to dry or require multiple cycles, it may be time to clean your dryer vent.
- **Replace your furnace filter:** Check your filter every 4 to 6 weeks during the winter months.
