I enjoyed our stay here at
Keesler Family Housing. We have
had nothing but great experiences
with neighbors, housing staff,
and our home.

- Lestiney Yoshimura,
Keesler Family Housing Resident

I love living in Deluz! The community
events have helped me meet people in the
neighborhood and we love bingo night! The office
staff are always helpful with any questions I have
and are also really good with my kids too!

- Sara Rodriguez
Deluz Family Housing

The housing staff is
very courteous and prompt in
responding to any issues.

The maintenance
people are very good as well.

- Bethany Wax,
Redstone Family Housing
