

MAY 2019

VANCE FAMILY HOUSING NEWS & STORIES

Last Month's Events

We honored the military child with free ice cream for all kids on 4/19/19. Excellent outcome and we really enjoyed it. Beautification Day on 4/20/19 where we provided free mulch and flowers was a huge success. We provided bags of Easter Eggs for all the children and everyone loved that.

Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This

special bond with the armed forces allows us to understand first-hand some of the challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle
President
Hunt Military Communities

Seasonal Updates

Flower beds are resident's responsibilities. Residents must take care of lawn inside fence as well as one mower width outside of the fence. Pet owners please remember to pick up all pet droppings from yards. Personally owned pools are limited to small wading pools, and can not exceed 18 inches in depth and 8 feet in diameter. Pools are to be emptied and properly stored immediately after each use, and may not remain filled overnight.

Maintenance

We currently do Annual and Quarterly Preventative Maintenance once a week on Fridays. You are alerted only via email as to when your house is scheduled. Please make sure to call to change your appointment as we give 48 hour notice and will enter the home unless told otherwise. Please make sure all pets are contained on that day. Please do not flush: diapers and baby wipes, napkins and flush-able napkins and personal hygiene products.

Resident Reps

We are currently looking for resident representatives. **If you are selected for resident representative, you get \$50 off rent for your first month as a representative.**

Landscaping

Landscaping is currently working on trimming back trees and fertilizing the grounds.

Thank You!

Thank you to all the residents who helped make our beautification day a huge success and for taking such pride in your lawn.
