VANCE FAMILY HOUSING NEWS & STORIES

Last Month's Events Our June Summer Bash was a huge success! We greatly enjoyed it and had a lot of fun. We thank everyone who came and helped us make such a memorable day!

Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've undertaken a top-down review of our processes, policies, training programs, and the tools at our residents' disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto huntheroesfoundation.org

John Ehle
President
Hunt Military Communities

Seasonal Updates

Flower beds are resident's responsibilities. Residents must take care of lawn inside fence as well as one mower width outside of the fence. Pet owners please remember to pick up all pet droppings from yards. Personally owned pools are limited to small wading pools, and can not exceed 18 inches in depth and 8 feet in diameter. Pools are to be emptied and properly stored immediately after each use, and may not remain filled overnight.

Maintenance

We currently do Annual and Quarterly Preventative Maintenance once a week on Fridays. You are alerted only via email as to when your house is scheduled. Please make sure to call to change your appointment as we give 48 hour notice and will enter the home unless told otherwise. Please make sure all pets are contained on that day. Please do not flush: diapers and baby wipes, napkins and flush-able napkins and personal hygiene products.

Resident Reps

We are currently looking for resident representatives. **If you are selected for resident representative, you get \$50 off rent for your first month as a representative.**

Landscaping

Landscaping is currently working on trimming back trees and fertilizing the grounds.

Thank You!

Thank you to all the residents who have been keeping up with their property and making their lawns look amazing.
