VANCE FAMILY HOUSING NEWS & STORIES

January Was a Success

In January we celebrated National Pie day with our own special version called Pie Mrs. Pye day and we can't thank those enough who came and helped join in on the fun!

Our President's Message

I am pleased to announce that for the second year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$20,000.

Because of the generous donations we received this year, we are able to increase scholarship awards and recognize 12 recipients and award \$30,000 in scholarship grants in 2020. I encourage you to apply if you or a loved one meet any of the following criteria:

A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to <https://www.scholarsapply.org/huntheroesscholarship/>

The deadline to submit a nomination is **3:00 p.m. Central Standard Time, February 21, 2020, or until 50 applications are received, whichever comes first.**

Best,

John Ehle
President
Hunt Military Communities

New Community Center Rental Policy

There is a new policy when renting out the community center here at the housing office. There will continue to be the \$150 refundable deposit but there is now an \$50 charge for residents and a \$100 charge for non residents. If you have any questions or concerns or are ready to book your event please call or come by the office!

Quarterly Preventative Maintenance

Quarterly Preventative Maintenance has begun. This will typically happen on a Friday. You will be notified as to when your home will be done via email 24-48 hrs prior.

Maintenance Reminder

Be sure that all hoses are still disconnected from all outside faucets and that you continue to open cabinets and drip faucets during times when the temps drop to below freezing. Also be sure to keep heaters on. If there is any damage done to your home due to a pipe busting because the hoses have not been removed charges can be applied to you.
