# PROUDLY SUPPORTING THE MONTH OF THE MILITARY CHILD

## Our President's Message

April is the Month of the Military Child and during this month especially, Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with many other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. This year, for the first time, we are launching "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short blurb may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. Each selected Hunt Little Hero will act as "Hero for the day" at a special celebratory event at their local Hunt community in honor of Month of the Military Child. Applicants can visit <https://www.huntmilitarycommunities.com/our-communities> to see whether they qualify and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

## It is Military Child Month

The month of April is Month of the Military Child. To coincide with this Hunt is launching a new program called Hunt Little Heroes. Children between the ages of 4-15 who are dependents of active military service members are eligible to apply to be a "Hunt Little Hero" in their local community. This is open to ALL military children, not just those that live in or near a Hunt Military Community. Children of Hunt employees whose parent(s) are active service members are also eligible to apply. Children can submit their stories of how they are a hero in their community by writing a 300-word essay, drawing a photo, or creating a video. Submissions are due by April 20, 2020. Visit [www.huntlittleheroes.org](http://www.huntlittleheroes.org) for complete details of this new program and instructions on how to apply.

## March Recap

In the month of March we had a St. Patrick's Day event and an Opening Day for Baseball event planned. We unfortunately had to cancel those events in light of COVID19. We did set the treats for Pinch Protection outside for St. Patrick's Day and we hope if you picked one of those up that you enjoyed it!

## Vance Family Housing COVID-19 Update

We are currently working remotely from home and the housing office is closed for the time being. We want you all to be aware that we are doing our best to help keep you informed with everything that is going on and updating you as we tend to get new information in our processes almost daily.

Although we are not in the office we are still here for you! If you have any questions or concerns, please feel free to reach out to us so that we can do what we can to help. We hope you are all staying safe and thank you again for continued patience during this time.

Continue calling or submitting work orders online. Only emergency and urgent work orders are being taken care of at this time. Routines will resume when things get back to normal.

Thank you for being our residents and for working so well with us at this difficult time!
