

Sept 2020

VANCE FAMILY HOUSING NEWS & STORIES

Our President's Message

In the Spring 2020, we partnered with Blue Star Families in a campaign to collect the most ingenious Milfam cleaning hacks. It was such a hit that we're doing it again this Fall! AND all of the finalist videos on that competition can be found at: bluestarfam.org/milfamspringclean.

There are so many great tips there for you to check out! Stay tuned for more

information in the coming days on the Fall version where we'll be collecting even more great ideas. We are proud to partner with Blue Star Families and want to encourage you to take full advantage of all the great (and free!) programs and services this awesome organization has to offer. You can find a local chapter, peruse career opportunities geared towards military spouses, find great activities for your kids, or participate in their virtual programs by going to bluestarfam.org. From all of us at HMC, I hope you and your family continue to remain safe and healthy.

Best,

John Ehle
President
Hunt Military Communities

August Was a Success

"Donuts on Doorsteps" was a success, Thanks to all of the residents and children who participated !

Important Reminders

Offices will be closed to observe Labor Day September 7th 2020.
Tuesday's are trash pickup days. Thursday's are Pest Control Days.

Vance Family Housing

The housing office is still only taking appointments at the time being. We want you all to be aware that we are doing our best to help keep you informed with everything that is going on and updating you as we tend to get new information in our processes almost daily.

Although we are not in the office we are still here for you! If you have any questions or concerns, please feel free to reach out to us so that we can do what we can to help.

We hope you are all staying safe and thank you again for continued patience during this time.

Continue calling or submitting work orders online.

Only emergency and urgent work orders are being taken care of at this time.

Routines will resume when things get back to normal.

Thank you for being our residents and for working so well with us at this difficult
