VANCE INSIGHTS NEWS & STORIES

HAPPY MEMORIAL DAY!

Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same – the value we place on the mothers whose sacrifices, commitment, and

unconditional love enables families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

COVID-19 Update

Unfortunately, with COVID-19 we have been unable to host any community events. However, be sure to check out our Facebook page for trivia, fun activities to do at home, and just some good upbeat happy posts!

At this time, we are still doing virtual move ins and move outs. We are doing our best to keep everyone informed of all the changes and to help keep everyone safe and healthy!

As a reminder, all routine work orders are still on hold until further notice due to COVID-19. We will update when we are able to resume. They will then be worked on in the order they were received.

Have You Registered?

You will all be receiving a letter in the mail with information on how to set up your account on the resident portal if you have not already done so. Please be sure to get this completed so that you may submit routine work orders online as well as track work orders and keep up with community events and information.

Welcome to the Team

We have a new maintenance technician: Cory Sellers. We are happy to have him join our team and to have him help us help you.

Recipe Corner

To help you stay safe and healthy during this time, here is a simple recipe for Homemade Hand Sanitizer:

Homemade Hand Sanitizer

INGREDIENTS

2/3 cup 99% rubbing alcohol (isopropyl) or ethanol

1/3 cup aloe vera gel

8-10 drops essential oil (such as lavender, vanilla, peppermint, grapefruit) optional

DIRECTIONS

Mix the ingredients in a bowl and stir with a spoon. Use a funnel to pour liquid into an empty bottle. Tah Dah!
