VANCE FAMILY HOUSING NEWS & STORIES

Our President's Message

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with the myriad other challenges military families face. We are proud to acknowledge and support the tremendous strength and

resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Vance Family Housing COVID 19

The Housing office is still only taking appointments at this time. We want you all to be aware that we are trying to do our best to help keep you informed with everything that is going on and updating you as we tend to get new information in our processes almost daily. We are still here for You! If you have any questions or concerns, please feel free to reach out to us so that we can do what we can to help. We hope you are staying safe and thank you again for your continued patience during this time. Continue submitting routine work orders online and calling the office with emergency work orders. Only emergency and urgent work orders are being taken care of at this time and routines are being handled as soon as they can get to them until things get back to normal
