## Vance Family Housing COVID 19

The Housing office is open at this time. We want you all to be aware that we are trying to do our best to help keep you informed with everything that is going on and updating you as we tend to get new information in our processes almost daily. We are still here for You! If you have any questions or concerns, please feel free to reach out to us so that we can do what we can to help. We hope you are staying safe and thank you again for your continued patience during this time. Continue submitting routine work orders online and calling the office with emergency work orders. Only emergency and urgent work orders are being handled at this time. Rboutine as soon as they can be done.

## Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the safest way to serve our residents,

employees, and our partners. It was not easy to manage an unexpected pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive your vaccination, please check out [vaccinefinder.org](http://vaccinefinder.org).
